

Seminar on Recent Developments in Mathematics and Chemistry

26-27 February 2017

Speaker

Dr. Jorge Jiménez Urroz

(Research officer at CIMPA)

Professor at Universitat Politècnica de Catalunya

Department de Matemàtiques

Barcelona, Spain

Details of Lectures

26th February 2017 Time: 03.00-04.00 pm

(i) Exponential Sums and Irreducibility of Polynomials

Venue:

***Rezaur Rahman Auditorium, A F Mujibur Rahman Ganit Bhaban,
University of Dhaka***

27th February 2017 Time: 03.00-04.00 pm

***(ii) Some elementary results on mathematics and connections
with cryptography***

Venue

Auditorium, Dean of Faculty of Science, University of Dhaka

Faculty members of Mathematics & Chemistry, Ph.D, M.Phil., M.S. students are cordially invited to attend the seminar.

Organized by:

Bangladesh Mathematical Society

Dean, Faculty of Science

Department of Mathematics & Applied Mathematics University of Dhaka
