GENERAL INFORMATION

The Biennial Mathematics Conference of Bangladesh Mathematical Society is traditionally a broad based event encompassing all branches of Pure and Applied Mathematics. This year the conference will be held during 22-24 December 2011 at Jahangirnagar University, Dhaka. Everyone with an interest in Mathematics and related subjects from home and abroad are cordially invited to participate.

OBJECTIVES

The objective of the conference is to discuss the current trend of research and review new advances in various areas of Pure and Applied Mathematics. The exchange of ideas and experience among experts, researchers, teachers and students of Mathematics from home and abroad will contribute towards keeping the right track of Mathematics research and enhancing a meaningful, effective and interesting Mathematics education in Bangladesh.

SCOPE

The conference will consist of plenary sessions, contributed papers and posters. Topics of interest include but not limited to:

- * Pure Mathematics
- * Applied Mathematics
- * Numerical Analysis
- * Industrial Mathematics
- * Statistics and Optimization
- * Mathematical Physics
- * Computational Fluid Dynamics
- * Computational Mathematics
- * Mathematics Education

CALL FOR PAPERS

mathconf11@yahoo.com

Participants interested to present papers are requested to submit abstract. The presentation time for plenary session papers will be 45 minutes and that for contributed papers will be 15 minutes. Selected papers on reviewed may be published in *GANIT: The Journal of Bangladesh Mathematical Society*. **The abstract must be submitted by 20 October 2011. Early submission of abstract and registration is strongly encouraged.**

REGISTRATION

mathconf11@gmail.com

Registration can be made via e-mail/Post/ Courier service by sending the complete registration form together with a copy of the deposit receipt of registration fee payable in favor of **Seventeenth Mathematics Conference** in the bank account # 171.101.174982 at any branch of Dutch-Bangla Bank Limited, Bangladesh.
